

# New Scots: Integrating Refugees in Scotland's Communities

Scotland's refugee strategy  
Engagement Event

# Current New Scots Themes

# Question 1

Thinking about refugee integration in Scotland, what issues are important to you now?

## Question 2

What changes do you want to see by 2020 and why?

## Question 3

What can you, your community or your organisation do to contribute to that change?

# What happens next?

- All the feedback from today is written up and sent to the Scottish Government.
- The Scottish Government, COSLA and the Scottish Refugee Council pull together all of the feedback from events across Scotland.
- A new strategy is written, informed by the feedback and published later this year.
- Scotland continues to welcome and support refugees in our communities.
