ANNEX G: RESPONDENT INFORMATION FORM
PART 1: BACKGROUND

1) The Tribunals (Scotland) Act 2014 (the 2014 Act) creates a new, simplified statutory framework for tribunals in Scotland, bringing existing tribunal jurisdictions together and providing a structure for new jurisdictions. The 2014 Act creates two new tribunals, the First-tier Tribunal for Scotland (First-tier Tribunal) and the Upper Tribunal for Scotland (Upper Tribunal), known collectively as the Scottish Tribunals.

2) The 2014 Act provides a mechanism for regulations to transfer the functions of existing tribunals and their membership to the First-tier Tribunal and/or the Upper Tribunal. Alternatively, functions may be directly conferred on the First-tier Tribunal and/or the Upper Tribunal for newly created jurisdictions or extensions of jurisdiction. The 2014 Act also provides for the First-tier Tribunal to be organised into a number of subject-specific Chambers.

3) The Mental Health Tribunal for Scotland (MHTS) was established by the Mental Health (Care and Treatment) (Scotland) Act 2003 (the 2003 Act). The primary role of the Tribunal is to consider and determine applications for compulsory treatment orders (CTOs) under the 2003 Act, and to consider appeals against compulsory measures made under the 2003 Act. The Tribunal also plays a monitoring role, periodically reviewing the compulsory measures in place for an individual.

4) It is proposed that the functions and members of the MHTS will transfer into the Scottish Tribunals on 12th November 2018. The First-tier Tribunal will have a Mental Health Chamber for hearing these cases. The MHTS as it presently stands will then be abolished.

5) Legal aid will continue to be available in the First-tier Tribunal Mental Health Chamber and the Upper Tribunal.

6) The draft regulations are attached at Annexes A, B, C, D, E and F. To note, the footnotes for the draft regulations will be completed after the consultation.

7) The draft regulations in Annex A provide for:
   - The transfer of functions of the MHTS to the Scottish Tribunals;
   - Transitional arrangements to regulate how cases in progress before the MHTS on 12th November will be dealt with;
   - Consequential amendments and repeals required in light of the transfer of functions;
   - The transfer of members of the MHTS to the Scottish Tribunals.

9) The draft regulations in Annex C set out the Rules of Procedure for the Upper Tribunal when hearing cases from the First-tier Tribunal Mental Health Chamber.

10) The draft regulations in Annex D set out the composition, by type and number of members, of the First-tier Tribunal Mental Health Chamber, and the Upper Tribunal when hearing appeals from the First-tier Tribunal Mental Health Chamber.

11) The draft regulations in Annex E set out the eligibility criteria for membership of the First-tier Tribunal Mental Health Chamber and the Upper Tribunal when hearing cases from the First-tier Tribunal Mental Health Chamber.

12) The draft regulations in Annex F set out the time limits for seeking permission to appeal a decision of the First-tier Tribunal Mental Health Chamber.

PART 2: CONSULTATION ON DRAFT REGULATIONS TO TRANSFER THE FUNCTIONS AND MEMBERS OF THE MHTS TO THE SCOTTISH TRIBUNALS AND REPEAL EXISTING STATUTORY PROVISIONS.

Background

13) Section 28(2) of the 2014 Act provides the power for the Scottish Ministers to make regulations to transfer the functions of the listed tribunals in Schedule 1 of the 2014 Act, to the First-tier Tribunal only; the Upper Tribunal only; or to the First-tier Tribunal and the Upper Tribunal.

14) Schedule 2 and section 29 of the 2014 Act provides the power for the Scottish Ministers to make regulations to transfer the members of the listed tribunals to the First-tier or Upper Tribunal.

Draft Regulations

15) The policy intent is for the MHTS to transfer into the Scottish Tribunals structure with their existing membership and functions insofar as practicable and insofar as is in line with existing legislation. Upon transfer the MHTS will be abolished and thereafter first instance decisions will be heard in the First-tier Tribunal Mental Health Chamber with appeals heard by the Upper Tribunal or the Court of Session as appropriate.

16) The draft regulations propose that the President of the MHTS transfers in as Chamber President of the First-tier Tribunal Mental Health Chamber. Medical and general members of the MHTS will transfer in as ordinary members of the First-tier Tribunal. In practice they will be allocated to the Mental Health Chamber.
17) The criteria for legal membership of the MHTS is currently set out in the Mental Health Tribunal for Scotland (Appointment of Legal Members) Regulations 2004 (the 2004 Regulations) and sets out that a legal member shall be a person—
(a) being an advocate or solicitor admitted in Scotland of at least seven years standing;
(b) having a seven year general qualification within the meaning of section 71 of the Courts and Legal Services Act 1990; or
(c) being a member of the Bar of Northern Ireland or solicitor of the Supreme Court of Northern Ireland of at least seven years standing.

18) We propose to revoke the 2004 Regulations and rely on the criteria for legal membership that is generic across the First-tier Tribunal and already set out in schedule 3 of the 2014 Act and the Scottish Tribunals (Eligibility for Appointment) Regulations 2015. Briefly, a person may only be appointed as a legal member of the Scottish Tribunals if the person is practising and has practised for a period of not less than 5 years as a solicitor or advocate in Scotland. If a person is not currently practising in Scotland, but has previously engaged in practice for not less than five years as a solicitor or advocate in Scotland, they must have subsequently engaged in exercising judicial functions in any court or tribunal, practice or employment as a lawyer of any kind or teaching or researching law at or for an educational institution. A qualification and practice in Scots law is considered an appropriate requirement when dealing with devolved case law and legislation and this change will ensure consistency across the First-tier Tribunal.

19) In order to ensure consistency across the First-tier Tribunal, we would propose to replicate the effect of the Judicial Pensions and Retirement Act 1993. Scottish Tribunals members are required to retire from the Scottish Tribunals at the age of 70, although Scottish Ministers can choose to reappoint the member for one year at a time, until they reach the age of 75, if their reappointment is in the public interest.

20) The draft regulations set out the transitional arrangements, which state that cases in progress before the MHTS on the day of transfer will be completed in the First-tier Tribunal. The First-tier Tribunal panel will be comprised of the same members as were hearing the case in the MHTS, where possible. Time limits which have started to run prior to commencement of these regulations and have not expired shall continue to apply.

21) If a party wishes to appeal a decision of the MHTS which previously would have been appealed to the Sheriff Principal, but has not exercised this right before 12 November 2018 then the appeal route will be to the Upper Tribunal as opposed to the Sheriff Principal. If a party has already exercised their right of appeal before 12 November 2018 then the appeal will not be affected by the new regulations and will be completed by the Sheriff Principal. Appeal rights to the Court of Session will remain unaffected; these appeals will not transfer to the Upper Tribunal.
22) The regulations will repeal schedule 2 of the Mental Health (Care and Treatment) (Scotland) Act 2003 (the 2003 Act), which set up the MHTS. Once the MHTS is transferred into the Scottish Tribunals the 2014 Act and these draft regulations will cover the operation of the Scottish Tribunals when dealing with mental health cases.

23) The draft regulations make amendments to existing legislation, replacing references to the MHTS with references to the First-tier Tribunal, and references to the Sheriff Principal with references to the Upper Tribunal.

24) The draft regulations repeal the Mental Health Tribunal for Scotland (Appointment of General Members) Regulations 2004, the Mental Health Tribunal for Scotland (Appointment of Medical Members) Regulations 2004, and the Mental Health Tribunal for Scotland (Appointment of Legal Members) Regulations 2004, the Mental Health Tribunal for Scotland (Disciplinary Committee) Regulations 2004, the Mental Health Tribunal for Scotland (Disqualification) Regulations 2004, as these are replaced by the eligibility criteria set out in the 2014 Act and put forward in this consultation (for ordinary members) and in the Scottish Tribunals (Eligibility for Appointment) Regulations 2015 (for legal members).

25) The draft regulations also repeal the Mental Health Tribunal for Scotland (Practice and Procedure) Rules 2005, the Mental Health Tribunal for Scotland (Practice and Procedure) (No. 2) Rules 2005 and the Mental Health Tribunal for Scotland (Delegation of the President’s Functions) Regulations 2004 and replace those with the new Rules and Procedure for the Mental Health Chamber of the First-tier Tribunal.

QUESTIONS ON THE TRANSFER OF THE MHTS

Q1: Do you have any comments on the draft transfer of functions and members Regulations?

Q2: Are you content with the provisions relating to the transfer of members?

Q3: Are you content with the proposal to align the eligibility requirement for MHTS legal members with legal members of the First-tier Tribunal?

Q4: Are you content with the provisions regarding transitional arrangements?

Q5: Do you have any other comments you wish to make?
PART 3: CONSULTATION ON DRAFT REGULATIONS THAT SET OUT THE RULES OF PROCEDURE FOR THE FIRST-TIER TRIBUNAL FOR SCOTLAND MENTAL HEALTH CHAMBER

Background

26) Schedule 9, paragraph 2(2) and section 81 of the 2014 Act provides the power for the Scottish Ministers to make regulations for the procedural rules of a listed tribunal that are in force immediately before the transfer to have effect for the purposes of the First-tier Tribunal.

Draft Regulations

27) As the MHTS already has comprehensive procedural rules in place these have been replicated where possible in the draft Mental Health Chamber Rules in Annex B. However, refinements are also proposed which aim to remove duplication, increase transparency and, where appropriate, to provide consistency within the Scottish Tribunals.

28) It is proposed that the First-tier Tribunal should be able to transfer cases to the Upper Tribunal to hear in the first instance, as provided at rule 36 of the draft Mental Health Chamber Rules. It is proposed that transfers of cases should be restricted only to points of law, and that the permission of the Chamber President would need to be given before a transfer could take place.

29) We have amended the existing rule 44 to remove the power to dismiss a case where it is considered to be frivolous or vexatious, and, to remove reference to cases which have no reasonable prospect of success. The Tribunal has to date not used this power and it is thought that, in the context of mental health cases, it would not be appropriate to dismiss a case on any of these grounds. Rule 37 of the draft Mental Health Chamber Rules sets out the restricted grounds for dismissal of a case.

30) Under rule 40(6) of the draft Mental Health Chamber Rules, documents which the Tribunal decides should not be disclosed to a patient will only be able to be disclosed to a legal representative or, in their absence, a curator ad litem. Such documents will no longer be disclosed to lay representatives. This change is to reflect the position that lay representatives have no professional conduct duties which would prevent them from sharing documents.

31) As set out in draft rule 52, the Tribunal may decide a case at such a hearing if all the parties, having been afforded an opportunity to provide such evidence or representations, do not wish to. The wording of this rule has been updated to reflect the definition of a hearing under the rules and to more closely align with the 2003 Act. The procedure is as set out in the current rules. Comments are sought on the circumstances in which the Tribunal might use this procedure in practice, which could be clarified in the wording of the rule. We would also be interested to hear views on
how procedure in such cases could be improved upon to benefit users of the Tribunal.

32) It is proposed that the requirements under rule 62 of the existing MHTS Rules of Procedure in relation to expert reports are amended. Currently, any expert report obtained by a person in relation to a patient’s case must be disclosed to the Tribunal (unless permission is sought from the Tribunal for it not to be disclosed). It is proposed that this requirement is removed so that there is no obligation for the patient or any other person to disclose a report to the Tribunal that they have obtained. Rule 56 of the draft Mental Health Chamber Rules, relating to expert reports, reflects this position.

33) In order to simplify proceedings for interested third parties and to prevent third parties from automatically receiving copies of papers, orders, records or certificates which contain sensitive information, it has been proposed that the concept of a ‘relevant person’ be removed and we would welcome comments on this proposal. In addition, this simplification has removed the requirement on parties to provide a notice of response to the Tribunal. Any person with an interest in a case, such as a victim, nearest relative or carer, or listed initiator, should be able to send the Tribunal a written request seeking leave to make oral or written submissions and/or permission to lead or produce evidence. We are also seeking views on whether it is necessary to remove the requirement or ability to seek leave from the Tribunal to enter the proceedings as a party.

34) Rule 47 of the current MHTS Rules of Procedure provides that the Tribunal may decide at its own initiative whether to withhold documents or reports from disclosure to the patient or parties involved in a case, although only in exceptional circumstances. It is proposed that this rule should be amended to provide that the Tribunal must only assess documents that it receives from people who have sought leave to provide representations, in order to determine whether those should be withheld from the patient or other parties. A draft rule has not been provided and so views are being sought on principle only.

35) In order to mirror current mental health practice and procedural rules, which are intended to ensure that a patient’s appeal is heard promptly, we do not intend to bring in a right to review any decision of the First-tier Tribunal.

QUESTIONS ON THE FIRST-TIER MENTAL HEALTH CHAMBER RULES OF PROCEDURE

Q1: Do you have any comments on rule 36, which provides that certain cases are able to be transferred to the Upper Tribunal, and, in particular, whether this should be restricted only to cases transferred on a point of law?

Q2: Do you have any comments on rule 37, which sets out the restricted grounds on which a case may be dismissed as being incompetent?

Q3: Do you have any comments on the proposal to simplify proceedings for interested third parties and remove the requirement or ability to seek leave from the Tribunal to enter the proceedings as a party?

Q4: Do you have any comments on the principle that the Tribunal must only assess documents received from persons who have sought leave to provide representations, to determine if those should be withheld from the patient and other parties?

Q5: Do you have any comments on the proposal to clarify the terminology in rule 52 on the circumstances in which the Tribunal may decide a case at a hearing without oral evidence or oral representations? Include any comments that you have on the practical implications of such hearings.

Q6: Do you have any comments on the proposal that there should be no ability for the First-Tier Tribunal Mental Health Chamber to review its own decisions?

Q7: Do you have any other comments on the draft regulations for the First-Tier Tribunal Mental Health Chamber Rules of Procedure?
PART 4: CONSULTATION ON DRAFT REGULATIONS THAT SET OUT THE RULES OF PROCEDURE FOR THE UPPER TRIBUNAL FOR SCOTLAND WHEN HEARING CASES FROM THE FIRST-TIER TRIBUNAL MENTAL HEALTH CHAMBER

Background

36) Schedule 9, paragraph 2(2) and section 81 of the 2014 Act provides the power for the Scottish Ministers to make regulations for the procedural rules of a listed tribunal that are in force immediately before the transfer to have effect for the purposes of either or both the First-tier Tribunal and the Upper Tribunal.

Draft Regulations

37) The Upper Tribunal for Scotland (Rules of Procedure) Regulations 2016\(^\text{11}\) (the 2016 Regulations) set out the rules for hearing appeals from the First-tier Tribunal. Due to the nature of the work of the MHTS, a bespoke set of Upper Tribunal Rules of Procedure has been drafted for use when it is hearing cases from the First-tier Tribunal Mental Health Chamber. The bespoke procedural rules being consulted on (at Annex C) therefore differ in some areas from the general rules provided in the 2016 Regulations.

38) When the Upper Tribunal receives notice of an appeal, it must fix a hearing and notify respondents and interested parties of that hearing. Only when all parties have consented to a decision being made without a hearing can the Upper Tribunal proceed on that basis.

39) It is proposed that the Upper Tribunal may suspend the effect of a decision made either in the First-tier Tribunal or the Upper Tribunal, where that decision is the subject of an appeal, as set out in rule 7. This rule is replicated from the 2016 Regulations. It is considered that it would be beneficial for the Upper Tribunal to have this ability in the context of mental health cases, as, it may be in the best interests of certain patients.

40) Rule 19(4) provides the criteria for determining what fresh evidence may be led in the Upper Tribunal. This rule is replicated from the 2016 Regulations. It would be helpful to receive views on whether the wording of this rule is appropriate for mental health cases.

41) All hearings will be held in private, unless a party makes an application for the proceedings to be held in public and the Upper Tribunal decides that to hold the hearing in public would not be detrimental to the patient’s welfare. Public disclosure of documents and information before the Upper Tribunal is therefore prohibited, unless the Upper Tribunal makes an order allowing the public disclosure of an aspect of the proceedings.

42) The time limit for notices of appeal and responses to notices of appeal to the Upper Tribunal is 14 days. The time limit for the Upper Tribunal to give notice of a hearing is between 7 and 14 days. The time limit for the Upper Tribunal to give parties notice of its decision and reasons is 14 days.

43) In order to mirror current mental health practice and rules, which are intended to ensure that a patient’s appeal is heard promptly, we do not intend to bring in a right to a review any decision of the Upper Tribunal.
QUESTIONS ON THE UPPER TRIBUNAL RULES OF PROCEDURE

Q1: Do you have any comments on the proposal that the Upper Tribunal should be able to suspend a decision made by either itself or the First-Tier Tribunal, which is the subject of an appeal, in rule 7?

Q2: Do you have any comments on the criteria for fresh evidence, in rule 19(4)?

Q3: Do you have any comments on hearings automatically being held in private in and the prohibition of public disclosure of documents and information?

Q4: Do you have any comments on the proposals regarding time limits in the Upper Tribunal?

Q5: Do you have any comments on the proposal that there should be no ability for the Upper Tribunal to review its own decisions in mental health cases?

Q6: Do you have any other comments you wish to make on the draft regulations for the Upper Tribunal rules of procedure?
PART 5: CONSULTATION ON DRAFT REGULATIONS THAT SET OUT THE COMPOSITION OF THE FIRST-TIER TRIBUNAL AND UPPER TRIBUNAL FOR SCOTLAND

Background

44) Sections 38 and 40 of the 2014 Act allow the Scottish Ministers, by regulation, to determine the composition of the First-tier and Upper Tribunals.

Draft regulations

45) The draft regulations in Annex D apply to the composition of the First-tier Tribunal Mental Health Chamber and the Upper Tribunal when dealing with cases from the First-Tier Tribunal Mental Health Chamber.

46) The policy intention is to mirror the existing composition of the MHTS as set out in Schedule 2 of the 2003 Act. This means that cases in the First-tier Tribunal will be heard by the Chamber President and two ordinary members (one with medical experience and one with mental health care experience), or a legal member and two ordinary members (one medical experience and one with mental health care experience), or where appropriate, a judicial member (a sheriff) and two ordinary members (one medical experience and one with mental health care experience).

47) Cases appealed or transferred to the Upper Tribunal will be heard by judicial members of the Upper Tribunal, mirroring the type of judiciary that currently hear appeals in the courts. However, the appeals will take place in the Upper Tribunal, as opposed to the sheriff court. The Chamber President, the President of Tribunals or the Lord President will also be able to hear cases in the Upper Tribunal. They may either sit alone or with another judicial member of the Upper Tribunal. The Chamber President may only hear a case if they were not involved with the case before the First-tier Tribunal. The President of Tribunals will determine how the Upper Tribunal should be composed on a case-by-case basis. Cases that are currently appealed to the Court of Session will continue to be appealed to the Court of Session.
QUESTIONS ON COMPOSITION REGULATIONS

Q1: Do you have any comments on the proposals regarding the composition of the First-tier Tribunal Mental Health Chamber?

Q2: Do you have any comments on the proposals regarding the composition of the Upper Tribunal when hearing cases appealed or transferred from the First-tier Tribunal Mental Health Chamber?

Q3: Do you have any other comments you wish to make?
PART 6: DRAFT REGULATIONS SETTING OUT THE ELIGIBILITY FOR MEMBERSHIP OF THE FIRST-TIER TRIBUNAL MENTAL HEALTH CHAMBER

Background

48) The draft regulations contained in Annex E prescribe eligibility criteria for ordinary members of the First-tier Tribunal assigned to the Mental Health Chamber and the Upper Tribunal. The criteria for ordinary (i.e. non legal) members have been developed specifically to cover members assigned to the mental health jurisdiction.

Draft Regulations

49) The draft regulations contained within Annex E set out the criteria proposed to be applied by the Scottish Ministers in appointing ordinary members that hear cases within the First-tier Tribunal Mental Health Chamber. Ordinary members will have either medical experience or mental health care experience.

50) For ordinary membership with medical experience, the criteria are that a person must be fully registered within section 55(1) of the Medical Act 1983, whether or not that person holds a licence to practice and who:
   (a) is a member or fellow of the Royal College of Psychiatrists, or
   (b) has a minimum of four years whole time equivalent experience of providing psychiatric services.

51) For ordinary membership with mental health care experience, the criteria are that members must be a person who:
   (a) a mental disorder and using services provided in relation to mental disorder, or is a carer for a person with such experience
   (b) is a registered nurse with experience of providing services to persons having a mental disorder;
   (c) is a clinical psychologist registered with the Health Care Professions Council;
   (d) is a social worker (having the meaning given by section 77(1) of the Regulation of Care (Scotland) Act 2001) with experience in the assessment and care management of persons having a mental disorder;
   (e) is an occupational therapist registered with the Health Care Professions Council who has experience in the assessment and care management of persons having a mental disorder; or
   (f) not being a person mentioned in (a) to (e), is employed in the provision of (or in managing the provision of) a care service (having the meaning given by subsection (1)(a), (b), (d), (f), (g) and (j) of section 47 of Public Services Reform (Scotland) Act 2010 to persons having a mental disorder.

52) The draft regulations replicate the eligibility criteria set out above. On transfer-in, medical and general members of the MHTS will become ordinary members of the First-tier Tribunal.

PART 7: DRAFT REGULATIONS AMENDING THE TIME LIMITS FOR SEEKING PERMISSION TO APPEAL

Background

53) The Scottish Tribunals (Time Limits) Regulations 2016\(^\text{12}\) set out the time limits for applying to the First-tier Tribunal or Upper Tribunal for permission to appeal against its own decision, and the time limits for applying to the Upper Tribunal for permission to appeal against a decision of the First-tier Tribunal. The time limits are set as 30 days from the relevant date.

Draft Regulations

54) The draft regulations contained within Annex F amend the time limits for applying to the First-tier Tribunal or Upper Tribunal for permission to appeal against its own decision to specify a 21 day time limit for decisions made in the Mental Health Chamber. The time limits for applying to the Upper Tribunal for permission to appeal against a decision of the First-tier Tribunal Mental Health Chamber will also be amended to 21 days from the relevant date. These changes are considered appropriate in order to maintain the current position as it stands in the MHTS with regard to time limits.

EXPLANATORY NOTE
(This note is not part of the Regulations)

These Regulations make provision for the transfer of the functions and members of the Mental Health Tribunal for Scotland (“the MHTS”) to the Scottish Tribunals. The Scottish Tribunals comprise the First-tier Tribunal for Scotland and the Upper Tribunal for Scotland.

The First-tier Tribunal was set up by the Tribunals (Scotland) Act 2014. It is divided into chambers, with the chambers hearing cases according to the subject-matter of the case. The First-tier Tribunal Mental Health Chamber hears cases previously dealt with by MHTS.

Transitional provisions are made to manage the transfer of on-going casework before the MHTS and appeals from decisions of the MHTS to the sheriff principal and/or Court of Session. When this instrument comes into force on 12th November 2018, all cases pending before the MHTS will transfer to the First-tier Tribunal.

These Regulations also make consequential amendments to other primary and subordinate legislation, largely substituting references to the MHTS with references to the First-tier Tribunal.
The Scottish Ministers make the following Regulations in exercise of the powers conferred by sections 55(1), 61(2) and 80(1) and paragraph 4(2) of schedule 9 of the Tribunals (Scotland) Act 2014(a) and all other powers enabling them to do so.

In accordance with paragraph 4(3) of schedule 9 of that Act, they have consulted the President of Tribunals and such other persons as they have considered appropriate.

(b) require a party (other than the patient) or a party’s representative or the patient’s named person to attend a hearing; and

(c) hold a hearing and receive evidence by telephone, video link or by any other method of communication if the First-tier Tribunal is satisfied that this would be fair in all the circumstances.

First-tier Tribunal’s consideration of application for permission to appeal

71.—(1) The First-tier Tribunal must decide whether to give permission to appeal on any point of law.
(2) The First-tier Tribunal must provide a record of its decision as soon as reasonably practicable to the parties to the relevant proceedings in the First-tier Tribunal, and any other person appearing to the First-tier Tribunal to have an interest in the appeal.
(3) If the First-tier Tribunal refuses permission to appeal on any point of law, it must provide with the record of its decision under paragraph (2)—
(a) a statement of its reasons for the refusal; and
(b) information on the right of the person who had sought permission under rule 70 to make an application to the Upper Tribunal for permission to appeal, and the time within which, and the method by which, such an application must be made.

Review of a decision

72. No review of a decision of the First-tier Tribunal is available under these Rules.

Miscellaneous

Performance of the First-tier Tribunal’s functions

73. The Chamber President may authorise any member of the staff of the First-tier Tribunal to exercise such administrative functions under these Rules as the Chamber President must specify.

Relief from failure to comply with the Rules

74.—(1) Where a party has failed to comply with any provision of these Rules due to mistake, oversight or other excusable cause before the First-tier Tribunal has decided the case, the First-tier Tribunal may—
(a) relieve the party from the consequences of that failure under these Rules; and
(b) give any direction as it thinks fit.
(2) In particular, where it considers that any party may have been prejudiced by such a failure to comply, the First-tier Tribunal may take any necessary steps to enable the case to proceed as if the failure had not occurred.
(3) Necessary steps under paragraph (3) may include amending any document and giving notice.

Signature of documents

75.—(1) Where these Rules require a person to sign a document, if the document is to be sent by email, it must be signed with the electronic signature of that person.
(2) Where these Rules require a person to sign an application or appeal, it may be signed on the person’s behalf by the person’s representative.
Proof of documents

76. Any document purporting to be a document signed or issued by the Chamber President or Convener on behalf of the First-tier Tribunal must, unless the contrary is proved, be deemed to be a document so signed or issued, as the case may be.

Method of delivering and receipt of notices and documents

77.—(1) Any notice or document required or authorised by these Rules to be sent to the First-tier Tribunal may be sent or delivered to the Office of the First-tier Tribunal or such other office as may be notified by the First-tier Tribunal.

(2) All notices and documents required by these Rules to be sent or given by the First-tier Tribunal or the Clerk to a person must be—

(a) in the case of a party—

(i) sent or delivered to the address specified by that party;

(iii) sent by email to a specified email address, where the person has agreed in writing that the person will accept notices and documents by email.

(3) All notices and documents required by these Rules to be sent or given by the First-tier Tribunal or the Clerk to a person, other than a party, must be—

(a) sent or delivered to that person’s last known address; or

(b) in any manner specified for that purpose by the First-tier Tribunal or person to whom the notice or document is directed.

(4) Any notice or document sent to a person in accordance with this rule must, unless the contrary is proved, be deemed to be received—

(a) where the document is sent by post, on the day after the day on which it was sent; and

(b) in any other case, on the day on which the document was transmitted or delivered to that person.

(5) A notice or document sent or given to a party’s representative must be deemed to have been sent or given to that party.

(6) A party may at any time by notice to the First-tier Tribunal change the address to which notices and documents are to be sent to the party.

Transfer of case

78.—(1) Where a First-tier Tribunal is satisfied, in relation to a case which it is hearing that that case could be better considered by First-tier Tribunal members based in another geographical area, it may request the Chamber President to transfer the case to a First-tier Tribunal constituted of such other members.

(2) Where a case has been transferred in terms of this rule, any matters already decided in the case must not be further considered by the First-tier Tribunal to which the case is transferred.

Application

2. These Rules apply to all proceedings before the Upper Tribunal under the 2003 Act.

PART 2
Role of The Upper Tribunal

Purpose of the Upper Tribunal

3. The Upper Tribunal hears and decides cases transferred to it from the First-tier Tribunal and hears and decides appeals from the First-tier Tribunal.

PART 3
Procedure for Cases in the Upper Tribunal

Notice of appeal against a decision of the First-tier Tribunal

4.—(1) A person may lodge with the Upper Tribunal a notice of appeal against a decision of the First-tier Tribunal.

(2) A notice of appeal must—
   (a) identify the decision of the First-tier Tribunal to which it relates;
   (b) identify the alleged error or errors of law in the decision; and
   (c) state whether the person is content for the Upper Tribunal to decide the case without a hearing.

(3) The appellant must provide with the notice of appeal a copy of—
   (a) any written record of the decision being challenged;
   (b) any separate written statement of reasons for that decision; and
   (c) the notice of permission to appeal or alternatively notice of refusal of permission to appeal from the First-tier Tribunal.

(4) Where the notice of appeal is made by virtue of a provision giving a listed initiator authority to act, the listed initiator requirement in rule 1(2) must be complied with.

(5) When the Upper Tribunal receives a notice of appeal it must fix a hearing and send to each respondent and interested party (if any)—
   (a) a copy of the notice and any accompanying documents; and
   (b) notice of the date and time of a hearing.

(6) If the appellant lodges the notice of appeal with the Upper Tribunal later than the time required by paragraph (8)—
   (a) the notice of appeal must:
      (i) include a request for an extension of time;
      (ii) explain why the notice of appeal was not provided in time; and
      (iii) state why it is said to be in the interests of justice that the time be extended; and
   (b) unless the Upper Tribunal extends the time for lodging a notice of appeal the Upper Tribunal may not admit the notice of appeal.

(7) The Upper Tribunal may, where the First-tier Tribunal has refused permission to appeal and the Upper Tribunal has held a hearing—
   (a) refuse permission to appeal;
(b) give permission to appeal; or
(c) give permission to appeal on limited grounds or subject to conditions;

and must send a notice of its decision to each party and any interested party including reasons for
any refusal of permission or limitations or conditions on any grant of permission.

(8) Where the First-tier Tribunal sends a notice of permission or refusal of permission to appeal
to a person who has sought permission to appeal, that person, if intending to appeal, must provide
a notice of appeal to the Upper Tribunal within 14 days after the day of receipt by that person of
the notice of permission or refusal of permission to appeal.

Response to the notice of appeal

5.—(1) Subject to any order given by the Upper Tribunal, a respondent may provide a written
response to a notice of appeal.

(2) Any response provided under paragraph (1) must be sent or delivered to the Upper Tribunal
so that it is received no later than 14 days after the day on which the Upper Tribunal sent a copy of
the notice of appeal to the respondent.

(3) The response must state—
   (a) the name and address of the respondent;
   (b) the name and address of the representative (if any) of the respondent;
   (c) an address where documents for the respondent may be sent or delivered;
   (d) whether the respondent opposes the appeal;
   (e) the grounds on which the respondent relies, including (in the case of an appeal against the
decision of the First-tier Tribunal) any grounds on which the respondent was unsuccessful
   in the proceedings which are the subject of the appeal, but intends to rely in the appeal;
   and
   (f) whether the respondent consents to the case being heard without a hearing.

(4) If the respondent provides the response to the Upper Tribunal later than the time required by
paragraph (2) or by an extension of time allowed under rule 7(3)(a) (power to extend time), the
response must include a request for an extension of time and the reason why the response was not
provided in time.

(5) When the Upper Tribunal receives the response it must send a copy of the response and any
accompanying documents to the appellant and any interested party.

Cases transferred to the Upper Tribunal

6.—(1) Paragraphs (2) and (3) apply to a case transferred to the Upper Tribunal from the First-
tier Tribunal.

(2) In such a case—
   (a) the Upper Tribunal must give directions as to the procedure to be followed in the
   consideration and disposal of the proceedings;
   (b) the preceding rules in this Part will only apply to the proceedings to the extent provided
   for by such directions.

(3) If a case or matter is to be determined without notice to or the involvement of a
respondent—
   (a) any provision in these Rules requiring a document to be provided by or to a respondent;
   and
   (b) any other provision in these Rules permitting a respondent to participate in the
   proceedings,
does not apply to that case or matter.
PART 4
General Powers and Provisions

Case management

7.—(1) Subject to the provisions of the 2014 Act and these Rules, the Upper Tribunal may regulate its own procedure.

(2) The Upper Tribunal may give a direction in relation to the conduct of proceedings before it at any time, including a direction amending, suspending or setting aside an earlier direction.

(3) In particular, and without restricting the general powers in paragraphs (1) and (2), the Upper Tribunal may—

(a) extend or shorten the time for complying with any rule, direction or order;
(b) conjoin or take concurrently two or more sets of proceedings or parts of proceedings raising common issues;
(c) specify one or more cases as a lead case or lead cases where—
   (i) two or more cases are before the Upper Tribunal;
   (ii) in each such case the proceedings have not been finally determined; and
   (iii) the cases give rise to common or related issues of fact or law,
   and sist the other cases until the common or related issues have been determined;
(d) permit or require a party to amend a document;
(e) permit or require a party or another person to provide documents, information, evidence or submissions to the Upper Tribunal or a party;
(f) deal with an issue in the proceedings as a preliminary issue;
(g) hold a hearing to consider any matter, including a case management issue;
(h) decide the form of any hearing;
(i) adjourn or postpone a hearing;
(j) require a party to produce or lodge documents including but not confined to a note of argument and the Appeal Appendix;
(k) sist proceedings;
(l) transfer proceedings to another court or tribunal if that other court or tribunal has jurisdiction in relation to the proceedings and—
   (i) because of a change of circumstances since the proceedings were started, the Upper Tribunal no longer has jurisdiction in relation to the proceedings; or
   (ii) the Upper Tribunal considers that the other court or tribunal is a more appropriate forum for the determination of the case;
(m) suspend the effect of its own decision pending an appeal of that decision;
(n) in an appeal against the decision of the First-tier Tribunal, suspend the effect of that decision pending the determination of any permission to appeal or any appeal;
(o) require the First-tier Tribunal to provide reasons for the decision, or other information or documents in relation to the decision or any proceedings before the First-tier Tribunal.

Procedure for applying for and giving directions

8.—(1) The Upper Tribunal may give a direction on the application of one or more of the parties or on its own initiative.

(2) An application for a direction may be made—

(a) by sending or delivering a written application to the Upper Tribunal; or
(b) orally during the course of a hearing.
(3) An application for a direction must include the reason for making that application.

(4) Before making a direction, the Upper Tribunal must afford parties an opportunity to make representations to it concerning whether the direction should be imposed and the terms of the direction.

Failure to comply with rules etc.

9.—(1) An irregularity resulting from a failure to comply with any requirement in these Rules, a direction, a practice direction or an order, does not of itself render void the proceedings or any step taken in the proceedings.

(2) If a party has failed to comply with a requirement in these Rules, a direction, a practice direction or an order, the Upper Tribunal may take such action as it considers just, which may include—

(a) waiving the requirement;
(b) requiring the failure to be remedied; or
(c) exercising its power under rule 10 (dismissal of a party’s case).

Dismissal of a party’s case

10.—(1) The Upper Tribunal must dismiss the whole or a part of the proceedings if the Upper Tribunal—

(a) does not have jurisdiction in relation to the proceedings or that part of them; and
(b) does not exercise its power under rule 7(3)(l)(i) (transfer to another court or tribunal) in relation to the proceedings or that part of them.

(2) The Upper Tribunal may dismiss the whole or a part of the proceedings if—

(a) the appellant has failed to comply with an order which stated that failure by the appellant to comply with the order could lead to the dismissal of the proceedings or part of them; or
(b) the appellant has failed to co-operate with the Upper Tribunal to such an extent that the Upper Tribunal cannot deal with the proceedings fairly.

(3) The Upper Tribunal may not dismiss the whole or a part of the proceedings under paragraph (1) or (2) without first giving the appellant an opportunity to make representations in relation to the proposed dismissal.

Addition, substitution and removal of parties

11.—(1) The Upper Tribunal may give a direction adding, substituting or removing a party as an appellant or a respondent including where—

(a) the wrong person has been named as a party; or
(b) the addition, substitution or removal has become necessary because of a change in circumstances since the start of proceedings.

(2) If the Upper Tribunal gives a direction under paragraph (1) it may give such consequential directions as it considers appropriate.

(3) A person who is not a party may make a written application to the Upper Tribunal to be added or substituted as a party under this rule.

(4) If the Upper Tribunal refuses an application under paragraph (3) it must consider whether to permit the person who made the application to provide submissions or evidence to the Upper Tribunal.

Orders for expenses

12.—(1) The Upper Tribunal may make an order for expenses as taxed by the Auditor of the Court of Session in proceedings on appeal from the First-tier Tribunal if the First-tier Tribunal had
the power to make an order for expenses, and only on the basis on which the First-tier Tribunal had the power to award expenses.

(2) Notwithstanding paragraph (1) and without prejudice to that paragraph, the Upper Tribunal may make an order for expenses as taxed by the Auditor of the Court of Session against a party if that party’s act, omission or other conduct has caused any other party to incur expense which it would be unreasonable for that other party to be expected to pay, with the maximum recoverable expenses being the expenses incurred.

(3) The Upper Tribunal, of its own initiative or on the application of a party or the parties, may in exceptional circumstances fix by order a sum payable by a party in discharge of an award of expenses.

Representatives

13.—(1) A party may be represented in any proceedings by a lay representative or legal representative whose details must be communicated to the Upper Tribunal prior to any hearing.

(2) A party may show any document or communicate any information about the proceedings to that party’s lay representative or legal representative without contravening any prohibition or restriction on disclosure of the document or information.

(3) Where a document or information is disclosed under paragraph (2), the lay representative or legal representative is subject to any prohibition or restriction on disclosure in the same way that the party is.

(4) Anything permitted or required to be done by a party under these Rules, a direction, a practice direction or an order may be done by a lay representative or legal representative, except signing of an affidavit or a precognition.

(5) The Upper Tribunal may order that a lay representative is not to represent a party if—

(a) it is of the opinion that the lay representative is an unsuitable person to act as a lay representative (whether generally or in the proceedings concerned); or

(b) it is satisfied that to do so would be in the interests of the efficient administration of justice.

Curator ad litem

14.—(1) A curator ad litem may be appointed by the Upper Tribunal where any of the circumstances in paragraph (2) apply to proceedings before the Upper Tribunal.

(2) The circumstances are—

(a) the patient does not have the capacity to instruct a legal representative in the proceedings;

(b) an appeal to the Upper Tribunal has been initiated by virtue of a provision giving a listed initiator authority to act; or

(c) where a case has been transferred to the Upper Tribunal from the First-tier Tribunal, the case was initiated before the First-tier Tribunal by virtue of a provision giving a listed initiator authority to act.

Supporters

15.—(1) A party who is an individual may be accompanied by another person to act as a supporter.

(2) A supporter may assist the party by—

(a) providing moral support;

(b) helping to manage tribunal documents and other papers;

(c) taking notes of the proceedings;

(d) quietly advising on—
(i) points of law and procedure;
(ii) issues which the party might wish to raise with the tribunal.

(3) The party may show any document or communicate any information about the proceedings to that party’s supporter without contravening any prohibition or restriction on disclosure of the document or information.

(4) Where a document or information is disclosed under paragraph (3), the supporter is subject to any prohibition or restriction on disclosure in the same way that the party is.

(5) A supporter may not represent the party.

(6) The Upper Tribunal may direct that a person is not to act as a supporter of a party if—
   (a) it is of the opinion that the supporter is an unsuitable person to act as a supporter (whether generally or in the proceedings concerned); or
   (b) it is satisfied that to do so would be in the interests of the efficient administration of justice.

Calculating time

16.—(1) An act required by these Rules, a direction, a practice direction or an order to be done on or by a particular day must be done by 5pm on that day.

(2) If the time specified by these Rules, a direction, a practice direction or an order for doing any act ends on a day other than a working day, the act is done in time if it is done on the next working day.

(3) In this rule “working day” means any day except a Saturday, a Sunday, or a bank holiday in Scotland under section 1 of the Banking and Financial Dealings Act 1971(a).

Sending and delivery of documents

17.—(1) Any document to be provided to the Upper Tribunal under these Rules, a direction, a practice direction or an order must be—
   (a) sent by pre-paid post or by document exchange, or delivered by hand, to the address of the Upper Tribunal; or
   (b) sent or delivered by such other method as the Upper Tribunal may permit or direct.

(2) Subject to paragraph (3), if a party or an interested party provides a fax number, email address or other details for the electronic transmission of documents to them, that party or interested party must accept delivery of documents by that method.

(3) If a party or an interested party informs the Upper Tribunal and all other parties and interested parties that a particular form of communication, other than pre-paid post or delivery by hand, should not be used to provide documents to that party or interested party, that form of communication must not be so used.

(4) If the Upper Tribunal or a party or an interested party sends a document to a party or interested party or the Upper Tribunal by email or any other electronic means of communication, the recipient may request that the sender provide a hard copy of the document to the recipient. The recipient must make such a request as soon as reasonably practicable after receiving the document electronically.

(5) The Upper Tribunal and each party and interested party may assume that the address provided by a party or interested party or its representative is and remains the address to which documents should be sent or delivered until receiving written notification to the contrary.

(a) 1971 c.80.
Disclosure of documents and information

18.—(1) Subject to paragraph (2), the public disclosure of any aspect of proceedings before the Upper Tribunal under these Rules is prohibited.

(2) The Upper Tribunal may at any stage of the proceedings, on its own initiative or on application by one or more of the parties or any interested party, make a direction allowing the public disclosure of any aspect of those proceedings so far as it considers appropriate.

Evidence and submissions

19.—(1) Without restriction on the general powers in rule 7 (case management powers), the Upper Tribunal may give directions as to—
   (a) subject to paragraph (4), issues on which parties may lead fresh evidence or make submissions;
   (b) the nature of any such evidence;
   (c) whether the parties are permitted or required to provide expert evidence, and if so whether the parties must jointly appoint a single expert to provide such evidence;
   (d) any limit on the number of witnesses whose evidence a party may put forward, whether in relation to a particular issue or generally;
   (e) the manner in which any evidence or submissions are to be provided, which may include a direction for them to be given—
      (i) orally at a hearing; or
      (ii) by witness statement or written submissions; and
   (f) the time at which any evidence or submissions are to be provided.

(2) The Upper Tribunal may exclude evidence that would otherwise be admissible where—
   (a) the evidence was not, without reasonable excuse, provided within the time allowed by an order or a practice direction;
   (b) the evidence was otherwise, without reasonable excuse, provided in a manner that did not comply with an order or a practice direction; or
   (c) it would otherwise be unfair to admit the evidence.

(3) The Upper Tribunal may consent to a witness giving, or require any witness to give, evidence on oath or affirmation, and may administer an oath or affirmation for that purpose.

(4) Fresh evidence may only be led in an appeal if the Upper Tribunal is satisfied—
   (a) that the evidence—
      (i) could not have been obtained with reasonable diligence at the First-tier Tribunal stage;
      (ii) is relevant and will probably have an important influence on the hearing; and
      (iii) is apparently credible; or
   (b) that the interests of justice justify the evidence being led.

Citation of witnesses and orders to answer questions or produce documents

20.—(1) On the application of a party or on its own initiative, the Upper Tribunal may—
   (a) by citation require any person to attend as a witness at a hearing at the time and place specified in the citation; or
   (b) direct any person to answer any questions or produce any documents in that person’s possession or control which relate to any issue in the proceedings.

(2) A citation under paragraph (1)(a) must—
   (a) give the person required to attend 14 days’ notice prior to the day of the hearing or such other period as the Upper Tribunal may direct;
(b) where the person is not a party, state (if appropriate) how expenses of attendance necessarily incurred may be recovered;
(c) state that the person on whom the requirement is imposed may apply to the Upper Tribunal to vary or set aside the citation or direction, if the person did not have an opportunity to object to it before it was made or issued; and
(d) state the consequences of failure to comply with the citation or direction.
(3) A person making an application referred to in paragraph (2)(c) must do so as soon as reasonably practicable after receiving notice of the citation or direction.

Withdrawal
